VAS Acrylic Painting Materials List 2027: Term 1

PAINT

- ☐ (S) Titanium White
- ☐ (S) Ivory Black
- ☐ (S) Burnt Umber
- ☐ (F) Yellow Ocher
- ☐ (S) Burnt Sienna
- ☐ (F) Phthalo Blue
- ☐ (S) Ultramarin Blue (warm)
- ☐ (F) Cerulean Blue (cool)
- ☐ (F) Cadmium Red (warm)
- ☐ (F) Alizarin Crimson (cool)
- ☐ (F) Primary Yellow (warm)
- ☐ (F) Cadmium Yellow Lemon (cool)

NOTE: ***Paint brands (suggestion only)****: if you're starting out and new to painting, Matisse is suitable (this is what I will be using in class) If you are using Matisse, there are two paint consistencies available "Structure" and "Flow" observe in the above list which colours should be Structure (S) or Flow (F).*

MEDIUM

- ☐ (brand) Golden Glazing Liquid - either gloss or satin is fine.
  Take note this medium brand is *highly* recommended! However... I recognise that it has been increasingly difficult to get this brand of medium and that Liquitex, Atelier or similar is suitable. **NOTE I'm asking for "glazing medium" *NOT* "gel medium"**

BRUSHES
